ONLINE VIRTUAL MEETING PROCESS

Due to the continuing Covid-19 pandemic, the National Association of Local Councils' current advice is that local councils should not be holding meetings in person. Until such advice changes, Studham Parish Council is conducting its meetings using the ZOOM online meeting software which, if you wish to attend the virtual meeting, will be downloaded onto your computer, tablet or phone as part of the meeting log-in process.

Government regulations concerning the conduct of virtual meetings require the publication of meeting log-in details in the meeting notice. Accordingly, the weblink for the meeting is:

<https://us02web.zoom.us/j/83210446774>

In keeping with Zoom's recommended security practice, attendees will be held in the online Waiting Room until admitted by the meeting's chairman.

Members of the public will be given an opportunity to speak in the first section of the meeting after which the Councillors will go into a private session to determine their response to CBC.

If you have any queries concerning the above, please contact the Chairman by 5 pm on Monday, 22nd March by emailing him at bob@afromosia.com or by telephone at 07796 446031
